## Speaker

Jerry and Nancy Larson are locals, residing in Spokane, WA. Though he is a graduate of Talbot School of Theology in CA and Western Seminary in Portland, OR, Jerry would rather talk about Jesus than his own accomplishments. You will be both challenged and encouraged as you listen to the experienced voice of Jerry Larson.

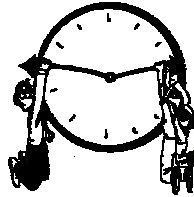

Jerry has shepherded churches for over 40 years. His current ministry, however, is the teaching of Evangelism Seminars, which he has been doing for the last 12 years throughout the Pacific Northwest and extending into Canada. His "passion is helping believers get out of the salt shaker and into the world" to reach the lost.
