***The special speaker time is the heart of our retreat.
Please plan to attend these special times.***

Meet our Speaker:

Cindy Lento & her husband, Bob Lento, live in Spokane. Although raised a Christian and baptized as a child, she walked away from God in her teenage years. In her late twenties, Jesus Christ penetrated her "stony" heart with His love. Cindy served for three years as a volunteer counselor at Life Services Crisis Pregnancy Centers of Spokane and helps train new volunteers. She has a passion for reaching people with a healing message of His love and for seeing the image of God restored in them to purity and godly womanhood. She has taught several women's seminars and mother/daughter sexual purity classes and is excited about the message the Lord has been stirring in her heart for our Scrapbook Retreat.

Same great retreat, fun new option!

Want to spread out more? We are expanding the scrapbooking area in the gym. You're welcome to bring your own table and chair if you feel like you need more room than we already provide.
Table placement may vary and is subject to change by Retreat staff.
Please clearly mark your table with your name and phone number. Enjoy!
